

Quick Commerce

WHO IS IT FOR?

A business owner that wants a quick ecommerce solution to test out their business on-line and build a business case for a more serious solution.

WHAT IS IT?

A Wordpress + Woo-commerce “ecommerce” solution.

HOW LONG DOES IT TAKE?

6 weeks.

HOW MUCH DOES IT COST?

Only \$6,000 + GST.

WHAT ARE THE PAYMENT TERMS?

\$2,000 up front, \$2,000 in two weeks and balance paid on “go-live.”

IS HOSTING INCLUDED?

No, hosting, server support, maintenance, backups, disaster recovery are additional at a cost of \$149 + GST per month

WHAT'S REQUIRED UP-FRONT?

Choose from a range of templates then supply all images and logos, initial payment, and all domain and website passwords as required.

WHAT'S THE PROCESS?

Once a deposit is paid and we have received the website brief we generate a website design proof for your approval within 2 weeks. After your revisions and second payment are received we generate the final proof ready for your approval. Then your new website is pushed live and a final invoice is generated.
